

INTERVIEW SUMMARY

Attendees, Date, and Type of Interview

The telephone interview was conducted on January 20, 2010, and the participants were Examiner Vo and applicant's representatives, Joe Brennan and Aaron Poledna.

Exhibits and/or Demonstrations

None.

Identification of Claims Discussed

Claim 25.

References Discussed

U.S. Patent No. 6,594,690 to Cantwell and U.S. Patent No. 6,459,499 to Tomat.

Proposed Amendments

N/A.

Principal Arguments and Other Matters

The references do not teach or suggest a destination selection system that is "configured to insert a destination address of the selected location for saving the scanning data in a self-extracting executable file," as claim 25 recites.

Results of Interview

Although the attendees did not reach an agreement, the undersigned attorney believes that the Examiner understood the differences between claim 25 and the references. If the Examiner believes that any additional information regarding the interview is necessary, please let the undersigned attorney know.
